Service Description

Technical Corps Program Member (Building Construction)

Manufacturing Works is a non-profit economic development organization based in Cleveland, OH with local, regional, statewide, and national programs. Our mission is to strengthen manufacturing to create healthy communities and fuel economic growth. We do this through programs in manufacturing growth and improvement, industrial redevelopment, and workforce development and training for youth and adults.

Reports to: Senior Manager of Youth Workforce Development

POSITION OVERVIEW

The Manufacturing Works Technical Corps Program (TCP) is a service opportunity through Encore Cleveland whose mission is to channel the time, energy, and talents of experienced Clevelanders into solving community challenges and filling unmet needs. Funding for this program comes from a generous grant of The Cleveland Foundation.

This position is designed to engage adults age 50+ who are experienced building trades people, with high school building-construction-focused programs in the capacity of subject matter experts and teacher assistants.
